

# Welcome to the Resource Department

Welcome to the 2011-2012 school year! I am so honored and excited to be returning to my seventh year at TCDS. I am the mother of two amazing little girls, ages two and three. Need less to say, they keep me on my toes. I enjoy spending time with my family, cooking, reading, traveling, and volunteering within the community.

I am very passionate about teaching and hold a very special place for special education in my heart. I am fully committed to the students as well as their families. I strongly believe parent involvement is a very important part of our program here at TCDS and I will be posting important information and updates regularly through the e-planner.

If you have any questions, concerns, ideas or just need to chat, please feel free to send me an email or call at any time. It is important for us to maintain open communication and to work together as a team to ensure that your child has another great year.

Sincerely,  
Kelly Everett

# Meet Beth Culbertson...

Welcome Tucson Country Day School students and families! I am very excited to join your learning community and activities for the 2011-2012 school year. For the last six years, I have been teaching at Collier part-time and substituting for TUSD and St. Michael's Day School. Before that I taught in Guam, California, Oregon, Colorado, and Ohio.

My main objective and top priority for this school year is to provide the best educational services and experiences for each student. My plan is to work together as a team in order to meet all of their identified needs. I look forward to this school year. All of the staff are working diligently preparing for a great year. Please feel free to call me with questions or concerns.

Thank you so much!

Mrs. Culbertson

# Meet Shawn Corbett...

Greetings parents and students!

Welcome to the 2011-2012 school year at TCDS! My name is Shawn Corbett and I have just come onboard here at TCDS in the Resource Department. This year I will be providing services for our Exceptional Education middle school students, as well as our English Language Learners in grades K-12. I am an East Coast transplant, have been teaching for 12 years (in a number of different areas and grades), and am extremely excited about joining this community at TCDS.

I wish you all much success this school year, and encourage you to come visit me in the Resource building if there's anything I can do to support you in the learning process.

Sincerely,

Shawn Corbett
