

4th Grade News

May 14 – May 18

Important Dates:

Book Reports due: Thursday, May 17th

Drama Club Performance: Friday, May 18th and Saturday, May 19th @ 6:00 PM

Water Day: Thursday, May 24th

Last Day of School: Friday, May 25th HALF DAY!!! K-3 released @ 11:30. 4-8 release @ 12:00.

We still need water day volunteers. Please email Ms. Stacey (Shauck@tcdcharterschool.com). You will be moving with your child's classroom, so come spend the day with us!

Language Arts: We are focusing on the 6 traits of writing. Some classes are finishing up their novels. Talk to your child about what they are reading in Language Arts.

Math: Each math class is preparing the students for 5th grade. We are focusing on different topics that 5th grade has asked us to make sure the students understand. Some classes will be focusing on math facts while others are doing problem solving strategies. Ask your child what they are learning in math!

Science: Mad Science Experiments! Mr. Jason and Ms. Sarah have gone mad! They will be showing the students fun science experiments all week. Last week the students were shown the Mentos and Soda ERUPTION! Ask your child about the fun things they saw this week.

Social Studies: In social studies we will be looking at new books we received based on Arizona. The books are called Arizona: Nations and Art. When we finish the books each student will be able to take the book home to keep! Keep your eyes open and ask to see this beautiful book!

Homework:

Monday: Reading Packet

Tuesday: Spelling

Wednesday: Finish up BOOK REPORT

Thursday: Math (Due Friday)

Friday: No homework

Spelling words:

lazy	gigantic
volcano	program
