Mild Traumatic Brain Injury/Concussion Statement & Acknowledgment Form

I, _____ (student), acknowledge that I have to be an active participant in my own health and have the direct responsibility for reporting all of my injuries and illnesses to the school staff (coaches, officials, coordinators). I further recognize that my physical condition is dependent upon providing accurate medical history and a full disclosure of any symptoms, complaints, prior injuries and-or disabilities experienced before, during or after athletic activities.

By signing below, I acknowledge:

- TCDS has provided me with the concussion fact sheet (<http://www.cdc.gov/concussion/HeadsUp/youth.html>) on what a concussion is and has given me an opportunity to ask questions.
- I have fully disclosed to my coaches any prior medical conditions and will also disclose any future conditions.
- There is a possibility that participation in my sport may result in a head injury and/or concussion. In rare cases, these concussions can cause permanent brain damage, and even death.
- A concussion is a brain injury, which I am responsible for reporting to the coaches, officials and/or coordinators.
- A concussion can affect my ability to perform everyday activities, and affect my reaction time, balance, sleep, and classroom performance.
- Some of the symptoms of concussion may be noticed right away while other symptoms can show up hours or days after the injury.
- If I suspect a teammate has a concussion, I am responsible for reporting the injury to the TCDS coaches and/or staff.
- I will not return to play in a game or practice if I have received a blow to the head or body that results in concussion related symptoms.
- I will not return to play in a game or practice until my symptoms have resolved, AND I have written clearance to do so by a qualified health care professional.
- Following a concussion the brain needs time to heal, and you are much more likely to have a repeat concussion or further damage if you return to play before your symptoms resolve.

Based on the incidence of concussion as published by the CDC, the following sports have been identified as high risk for concussion: basketball, football, soccer, and softball.

I represent and certify that I and my parent/guardian have read the entirety of this document and fully understand the contents, consequences and implications of signing this document, and that I agree to be bound by this document.

TCDS Athletic Program Policies and Procedures

Athletic Teams

Students must be in at least fifth grade to participate in the after school sports programs.

In most cases, there are two teams for each sport (with the exception of softball). The “A” team is for students that demonstrate advanced skills in that particular sport. The “A” team is also used to prepare students to play competitive high school sports. If you are selected for the “A” team, you are not guaranteed to be played in any game during the year. Playing time is decided by the coach, and the coach is not obligated to play every player. If you have any additional concerns about this issue, please see Mr. Hall, TCDS Athletic Director, first.

The “B” teams are created to develop players to later become successful “A” team players and to teach the students the rules of the game. The goal is to familiarize the students with competition and organized sport. “B” team students that attend practice regularly should play at least one quarter of the game.

Thank you for your time, support and understanding. We look forward to another “CHAMPIONship” season.

If you have any further questions, please feel free to contact Mr. Hall, TCDS Athletic Director, at thall@tcdschampions.com or 296-0883, ext 1148.

Expectations

Students are to represent the school teams with dignity, respect and pride. Sportsmanship shall always be exhibited when representing Tucson Country Day School.

Athletics Program Registration and Fees

The Athletic Registration Packet must be completed and turned into the office BEFORE a student can participate in tryouts.

Tucson Country Day School assesses a \$75.00 participation fee for each school sponsored activity. \$25 of that fee is due before students will be permitted to tryout. The remaining \$50 is due after the student makes a team. Funds are used to defray costs associated with Tucson Country Day School’s Athletics Program.

The Participation Fee must be paid prior to the first game of the season. Team members are not eligible to play in a game if their Participation Fee has not been paid. There are no refunds for participants who are removed from the activity for any reason.

Physical Examination Requirement for Athletic Program

A physical form must be on file for an athlete to practice or play. Forms are available in the TCDS office or online at www.TCDCharterschool.com. Physical forms are valid for 1 year from the date of the examination.

Eligibility

Eligibility for students will be based on tardies and absences. Students who reach 5 tardies or 5 absences in a given quarter will be ineligible to participate in one game the week following the 5th offense. Students who reach 8 tardies or 8 absences in a given quarter will be ineligible to participate in two games the week(s) following the 8th offense. Students who reach 10 tardies or 10 absences in a given quarter may be removed from the team for the season.

Students who receive behavioral referrals will have their athletic eligibility taken into consideration by administration and/or the athletic director.

Please Note:

If a student is ineligible, they may participate in practices, but are not allowed to play in games. Ineligible players are expected to attend games. They player may sit on the bench and must be in their “street clothes.” Students who are ineligible to play will miss a minimum of one week of competitive performance. Ineligible students may rejoin the team on the first Monday that they become eligible.

Coaches may suspend or permanently remove a player from the team for repeated tardy/absence and/or behavior issues.

Detention

Students who are given an after school detention for behavior or misconduct other than tardies, must attend the scheduled detention before going to practice or a game that is scheduled for the same day. When detention ends at 3:45 p.m., students are expected to go directly to practice or to a home game unless the coach has been notified by the parent/guardian that the student will not be attending. If the team has an away game, students in detention are responsible for finding their own ride to the game if they plan to attend.

Practices

Practices start 15 minutes after the school day has ended, unless the coach teaches grades K-3rd. In those cases, students must go to “sibling care” until the coach/coordinator is released at 3:15 p.m.

Practice end times may vary depending on the coach. Please make sure that you pick up your child within a 15 minute time period after the scheduled practice is supposed to end.

Failure to pick up your child in the above time period may result in dismissal from the team.

Athletic Uniforms

Students are expected to care for the uniform and to return it in good condition as soon as the season is finished. Students who do not return their uniform, or who lose or damage the uniform beyond normal wear and tear, will be required to pay for the cost of replacing the uniform. A student’s report card may be held until payment is received.

School Expectations

- School rules are in effect during all practices and home and away games.
- Sportsmanship and respect among students, coaches and parents shall not be compromised.
- Concerns that may arise during the season should be expressed to the coach at a time that does not interfere with class time, meetings, events, practices, or games.
- Exemplary student behavior is expected at all times.
- Student athletes must be in school on the day of the game to participate. Please make every effort to schedule medical appointments on non-game days.
- Student participants should maintain exemplary attendance and arrive promptly for school.
- Students are to represent the school with dignity, respect and pride. Sportsmanship shall always be exhibited when representing TCDS.
- Students can be deemed ineligible to participate in competition for violating any school expectations.
