

## 4th and 5th Grade Supply List

### **\$20 donation for Class supplies**

(Includes supplies like: notebooks, paper, folders, post it notes, small whiteboards, etc.)

Please make payment at the following link under "Miscellaneous Payments" and type in your child's name along with "4th grade supplies" or "5th grade supplies":

<https://tcdcharterschool.com/purchase/>

In addition, each student should bring the following PERSONAL SUPPLIES to school every day.

A **small pencil case/box/pouch\*** that includes:

- **Pencils & erasers**
- **A set of colored pencils & hand sharpener**
- **1-2 Black dry erase markers (thin and/or thick tip)** (please no colors, they're much harder to erase)
- **Highlighter**

*We suggest only 2-3 pencils and 1-2 black dry erase markers in your student's pencil box at a time. This will help students treat these supplies more as finite resources that should be taken care of and used purposefully in the classroom.*

### **Backpack\***

**Chromebook or approved laptop\* AND charger\*** (*laptops should come to school fully charged*)

**Headphones or earbuds\***

**Reusable water bottle\***

\*PLEASE MAKE SURE TO LABEL THESE PERSONAL ITEMS

Students in fourth and fifth grade will be moving around to different classrooms daily. They are expected to carry their device and pencil case/box/pouch with them to the different rooms.

There is no personal storage in any of the classrooms, personal storage for students is limited to their backpack, which remains on a hook outside the classrooms. Please take these expectations and procedures into consideration when you are making decisions about the size or weight of any personal supplies listed above for your student - their device should be lighter and smaller, their pencil box should be small and minimal.
